Review & Discuss Four Options Reviewed With Transition Committee: President Biroschik reminded the Board, as recently mandated by Governor Pritzker and effective immediately, all staff, students and visitors in the school building will be masked unless a medical issue is accompanied by an acceptable Doctor's note. Dr. Mattingly informed the Board that the Transition Committee has also recently met to discuss various options for the 2021-22 Return to Learning Plan. Board members/Transition Team members, Hoffmeyer and Biroschik, updated the Board with the Transition Team's recommendations to the Board as narrowed down to two. The options include **a)** returning to school, with full school days, serving 'in school' lunches, etc. and **b)** returning to school with a 12:50 p.m. student dismissal, distributing carryout lunches, etc. Dr. Mattingly and the Board reviewed and discussed the CDC recommendations as well as the pros and cons of the two options as recommended by the Transition Committee. President Biroschik also directed the Administration to check into the Shield Illinois Saliva Test as administered by the University of Illinois.

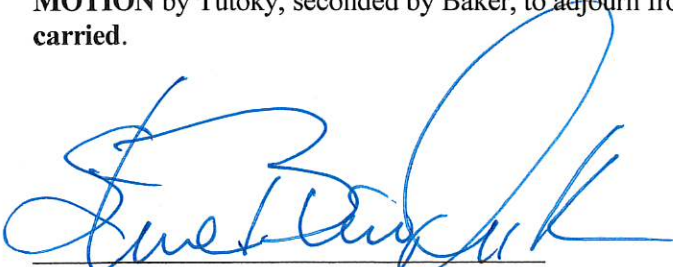

MOTION by Mast, seconded by Hoffmeyer, to update the 2021-22 Return to Learning Plan to include CDC's newest guidelines with a 12:50 p.m. student dismissal. Ayes (4) Nays (3 – Biroschik, Tutoky, Woeltje) **Motion carried.**
